

TELEPHONE BANKING

With a Touch-Tone Phone, You Can Find out About Your...

account balances, available funds, latest deposits, posted checks and deposits, electronic transfers, ATM transactions, interest postings, maturity dates and additional account information.

You can transfer money from one account to another and get tax information on your 1099.
Call 1-877-225-6474, Bank Code 193.
(Visit our office to activate this feature.)

Telephone Banking Is...

private and secure. Choose your own personal password to your account information.

Simple and 'multilingual'. Your User-ID and password are all you need. A recorded voice will guide you through the option prompts – in English as well as several other languages.

To get started, speak to one of our customer service representatives.

For more information or to find the location that's most convenient to you, call 856.690.1234 or visit our website at CapitalBankNJ.com.
